I understand that during this school year my student may participate in school-sponsored or other activities away from school premises. In some cases, it may be necessary for school staff, parents or school volunteers to transport the students to these activities. I agree to provide transportation for my Student when necessary or if I am unable to provide or arrange for transportation to the activity, I understand and agree that transportation may be provided for my student by school staff, parents or volunteers in their private vehicles.

Release

By my signature below, I hereby consent to allow my student to be transported by the school staff, parents or volunteers in their private vehicles. I further release and forever discharge the school staff, parents or volunteers who provide transportation for my Student from any and all claims, causes of action or damages resulting from transportation of my Student.

Dear Parent,

This is to inform you that students in Drama II-IV will be using various power tools, electrical equipment, ladders, and possibly scaffolding. They will be properly trained in the use of this equipment. It is my goal to make the class environment as safe as possible for every student; however, when tools or equipment are misused it could result in some form of injury. Please fill out the appropriate box below. If for any reason you do not wish your child to work with any specific tool or equipment, please specify by marking below.

Sincerely,

Michael Butcher
