

Audition Information

Auditions will begin on Tuesday, August 20 after school.

1. Prior to auditions:
 - A. Signup for an audition time online
 - B. Fill out the online audition form
2. Please bring with you to the audition:
 - A. A musical score or a recording of what you will be singing (if necessary)
 - B. Shoes and clothing that would be appropriate for dancing

2. **Everyone** must be in the Performing Arts Center at 3:15 to learn the dance routine.

3. **Everyone** must prepare a musical number consisting of 16 bars or lasting about one-minute.

4. If you have not signed up for an audition time, you need to do so as soon as possible.

5. Auditions will be closed for the singing portion; this means, only the directors and you will be present during your audition time. You will be required to work with the choreographer on the technical aspects of dance prior to or following the singing portion of your audition. You don't have to have any previous dance experience. This is just an opportunity for us to discover if you have a talent for dancing.

7. Callbacks will be posted the day following the conclusion of auditions on the theatre website. **If you are not on the callback list you may still be cast in the musical. Callbacks will begin at 3:15 in the choir room on Wednesday, August 21.** You do not need to prepare anything for callbacks. The cast list will be posted Friday, August 23, after school.

8. **Note that there is a \$200 musical fee. This fee covers costuming, t-shirt, production DVD, pictures, and other miscellaneous items. The production fee should not prevent anyone from auditioning or making the production. The booster parents are providing opportunities for students to earn money to pay their production fees. For those that make the production, all of this will be discussed at the REQUIRED PARENT/STUDENT meeting on Tuesday, August 27@ 6:00 PM in the PAC.**
